**Re:    United States v. Juan Mercado  
 24 CR 279 (VEC)**

Dear Judge Caproni:

I write in response to Your Honor's September 29, 2024 Order directing the Defendant to file a letter if he wants a *Fatico* hearing on the question of whether Defendant ever demanded a bribe or made a bribe a precondition to the assignment of new work or payment for work already performed.

At the time of his plea of guilty before Your Honor, Mr. Mercado admitted that he accepted bribes from vendors in that from about 2014 to 2023, while he was superintendent at NYCHA housing complexes, on a number of occasions he anticipated and accepted money from vendors who did work on NYCHA property, and the monies he received played a role in selecting the vendors for the work.

Mr. Mercado stands by his plea and accepts full responsibility for what he did. However, he remains adamant that at no time did he demand a bribe or made paying a bribe a precondition to the assignment of new work or payment for work already performed.

Accordingly, Defendant requests a *Fatico* hearing on these specific allegations,

Respectfully Requested,

/s/

Harvey Fishbein
